# PADDLE GEAR

## KINGS PADDLESPORT DAUMINATOR

The Dauminator is one of King's most popular high performance Stand Up models. This board does everything incredibly well and paddles so fast it feels like a race board. The Dauminator is great for flat water paddling in oceans, rivers, lakes, streams, and harbors. The Dauminator model has a wider nose than their other high-performance stand-up paddle boards, allowing you to hang five and ten while surfing. It also adds to the stability of the board. The Dauminator is loved by everyone who rides it... Including this Editor! \$1795.

[kingspaddlesports.com](http://kingspaddlesports.com)

## 404 JUMP 14' LTD PRO MOLDED CARBON SANDWICH

404's redesigned LTD is a low volume, surf race board. This board is designed for amateur to intermediate riders that require more stability. These wider, more stable models, still incorporate many of the 404 evolutionary design features. The LTD has a more rockered nose, allowing the board to easily handle small waves. The hard rail that extends the length of the cockpit, adds to the board primary stability and help you paddle with more confidence in rougher conditions. 3399.

[404seas.com](http://404seas.com)

## ROLL RECOVERY - Superplush™ Slide

This is an ultra-premium and sustainably sourced foam that uses Algae instead of harsh chemicals. The SUPERPLUSH™ line was created to be a refuge for tired feet.
